PARTNERS IN RARE

THE INDUSTRY PROGRAM SUPPORTING
RARE DISEASE NON-PROFIT
ORGANIZATIONS

Official Partner

MYRAREID
24/7 EMERGENCY DIGITAL HEALTH RECORDS

PATIENT SUPPORT

My Rare ID supports patients in emergency medical situations while creating a digital health record that can be accessed anywhere at anytime.

ACTIONABLE DATA

We give patients the opportunity to opt-in to share de-identified data with your organization, providing access to valuable insights across your patient community.

24/7 SUPPORT

Rare disease patients require complex care, especially during emergent medical situations. Instant access means faster and more accurate treatment.

ABOUT THE PROGRAM

My Rare ID is dedicated to supporting rare disease patient communities with 24/7 access to their digital health records, expediting emergency medical treatment, and preventing medical errors. We're also dedicated to supporting your organization.

When your organization supports our non-profit partners with My Rare ID, you're demonstrating your commitment to a rare population and investing in your non-profit partners.

BENEFITS

Emergency Support for Rare Disease Populations

Helps patients establish their own medical home

Reduces time to treatment and medical errors

Access to valuable community and patient insights, creating actionable data
